Robertshaw®

300 series

DELUXE PROGRAMMABLE THERMOSTATS

G GAS **E** ELECTRIC **H** HEAT PUMP

Elegantly Sophisticated

The 300 series Deluxe Programmable Thermostats take comfort to the next level with state-of-the-art control for commercial applications.

Standard features include Auto Changeover, permanent memory storage, independent switching circuitry, Programmable Fan, Quickcopy™ command and selectable 2 or 4 events per day on commercial models. Programmable LED indicators are available on multi-stage models.

Conventional control in an unconventional package. When you select a Robertshaw thermostat, you've made the choice of an industry partner that's been making quality products for over 100 years.

Commercial Series
300-225	1H / 1C Gas / Electric, 7 Day
300-227	3H / 2C Heat Pump, 7 Day
300-229	2H / 2C Gas / Electric, 7 Day

Residential Series
300-224	1H / 1C Gas / Electric, 5-2 day
300-226	2H / 1C Heat Pump, 5-2 Day
300-230	1 Cool Only, 5-2 Day

Features and Benefits

Contemporary Design
Compliments any décor.

Large Digital Display
Makes viewing and setting the temperature easy and accurate.

3-Hour Temporary Program Override
Allows for manual temperature adjustment.

EEPROM Memory
Electronic memory storage with no batteries to replace.

Automatic Compressor Short Cycle Protection
A system safeguard. Reduces wear and tear of HVAC equipment.

Lockable Keypad and Front Cover
Two levels of security against unwanted tampering.

O & B Terminals on Select Models
For use with heat pump or controlling dampers and fresh air economizers.

Auto Changeover on Select Models
Automatically switches into heat or cool mode. Prevents having to manually change system from heat to cool.

Remote Sensor Capable
Connects to optional remote indoor or outdoor sensors for optimal comfort.

TWO YEAR 2 WARRANTY

G GAS **E** ELECTRIC **H** HEAT PUMP

Thin is In

The 300 series Digital Non-Programmable Thermostats represent a new level of sophistication and elegance in a compact package. These space saving units offer advanced control capabilities such as fresh air damper or economizer control, along with independent circuit switching control.

Independent remote clock terminals allow the 300 series to be controlled by a remote timer for automatic control of the occupied and unoccupied periods.

When you select a Robertshaw thermostat, you've made the choice of an industry partner that's been making quality products for over 100 years.

Commercial Series

300-201	1H / 1C Gas / Electric
300-202	3H/2C Heat Pump
300-203	2H / 2C Gas / Electric
300-208	2H / 1C Heat Pump

Residential Series

300-206	1H / 1C Gas / Electric
300-207	1H / 1C Heat Pump
300-204	Heat Only
300-205	Cool Only
